

ORC worlds trieste 2017

Technical Committee Report nr. 3

Post-race measurements check on 5th July 2017 included check on the water and check on flotation, sails and crew weight ashore. On the water, use of stamped sails on board, internal ballast and tension of lifelines was checked. Checks were performed on the following boats:

- Duende
- Altair 3
- Morgan IV
- Horus
- Sugar
- Vell Mari V

Following boats have been checked ashore:

	Flotation	Sails	Crew Weight
Class A	Sheera	Fever	Maestro
Class B	Technicol	Nube	Blue Sky
Class C	Katariina II	Mummy One	Low Noise II

Boats Katariina II and Technicol were found in non-compliance with their certificates within the range of ORC Rule 305.2(b) and Technical Committee lodged the protests accordingly

Other checked boats were in complete compliance with the OSR and ORC Rules.
